

Dear Sir/Madam,

The Central Business District Foundation is building the first comprehensive data record of our member community. As one of the ca. 800 companies operating within the CBD, your input is essential.

This initiative will enable the Foundation to:

- represent your interests more effectively in negotiations with the central government;
- allocate district resources and plan infrastructure based on actual member needs; and
- publish a regular district report that gives your business visibility.

For this purpose, the Foundation is distributing a short survey that takes less than 5 minutes to complete. All responses are treated as strictly confidential. Data will be processed by Kirsten M. Cutajar Miller, Economist, acting on behalf of the Foundation, and shall be published only in aggregate form. Your individual responses will not be attributed or shared unless under explicit consent. If you have any questions about this initiative, please get in touch with Kirsten M. Cutajar Miller directly at kirsten@cutajarmiller.com.

Please complete the survey by **14th August, 2026**, using the link or QR Code below:

Lastly, we encourage you to share this survey with any other tenants in the Central Business District on your premises.

Thank you for your time.

Regards,

Carmelo Abela
